

Counter Home-Invasion Tactical Course

a training presentation from *Karl de la Guerra, Inc.*
An International Protective Services Agency

Learn how to better defend your home and your family

This 8-hour course is designed for anyone who shares a concern for defending their private home from armed criminals. Scenarios covered in this course include countering a home invasion and protecting you and your family from armed robbery. This is a tactical program which includes instruction and a great deal of hands-on training, utilizing the latest in Air Soft Technology. Your classroom is this fully furnished two-story tactical house located on the campus of our *International Tactics & Aviation Training Center* in Gastonia, North Carolina.

Entire households (over 15 years of age) are encouraged to attend at a discounted group rate

Cost: \$150.00 per student

(As a veteran owned company, we are proud to offer tuition discounts to active duty United States Military, our Veterans and their Spouses)

“Any city in America would be a safer place if our citizens has this training available to them.”

- **Rocco Novelli, former police officer, NYPD**

“Better you learn in this environment, than when someone has just broken down your front door!”

- **Ken Helfing, Attorney and University Law Professor**
