

INTERNATIONAL BODYGUARD & SECURITY SERVICES ASSOCIATION

Report about the IBSSA activities in Latvia 2016

Dear IBSSA members, Ladies and Gentlemen,

For your attention hereby I report briefly about the IBSSA representative office activities in Latvia, in 2016.

IBSSA representative office in Latvia continues the popularization of IBSSA and also organises professional security trainings for increasing of qualification for security specialists.

The official training centre of IBSSA “Securitytrainig.LV” provides full range of security trainings for bodyguards and security specialists – special tactical shooting training, bodyguard training, extreme driving course, VIP evacuation with helicopter, specialised security trainings.

In 2016 “Securitytrainig.LV” organised security education for private persons and corporative customers.

Continues regular cooperation with State Revenue Service (SRS) – organised monthly security trainings with specialised for SRS training program.

Continues increasing the security education level. Instructors of “Securitytrainig.LV” have regular trainings and courses for increasing of professional level. In 2016 I received official shooting instructor Certificate according to Latvian legislation. Also participated in different martial art seminars and trainings.

In cooperation with the Latvian Practical Shooting Centre (LPSC) and also the International Practical Shooting Confederation regional representative in Latvia organised shooting trainings for security guard and bodyguards and practical shooting competition.

“IBSSA CUP” shooting competition is a traditional and regular event every year. In 2016 we have organised two IBSSA CUP shooting competitions.

IBSSA representative office in Latvia in 2016 established cooperation with the Latvian Border Guard Flight Squad according to contraband prevention. It was a very interesting experience for both sides. IBSSA representative provides UAV equipment for Latvian border control mission.

Next Year we plan to continue our current activities, and find new opportunities for the development.

31st December 2016

With kind regards,

Mr. Andrey Shishov
Country Representative of IBSSA for Latvia
