The Romanian members expressed their opinions about the aims of IBSSA. It was confirmed that IBSSA is an international body, which is open to all companies, and individuals who are working in the wide field of security. IBSSA cannot concentrate on only one or two areas. Its aim is to get as many companies and individuals as possible together worldwide in order to open new markets and fields of cooperation for them. Further IBSSA is a prestigious international association, which has contacts with many government offices such as Hungary, Romania, Denmark and Israel. IBSSA gives its members the opportunity to get in contact with each other and to promote themselves via the IBSSA Internet and the IBSSA News Letter which will be published regularly in the near future.

It was agreed to open the National Office of IBSSA in Romania: Romanian Bodyguard & Security Services Association RBSSA. HRH Prince Adan Czartoryski congratulated the Romanian members for their hard work and thanked them for their great hospitality during the stay of the IBSSA officials in Romania.

Mr. Fritz Wendland, until today acting Coordinating President for Europe, stepped down from his position because of his work as General Director and in keeping with IBSSA's policy of one individual not holding too many offices. The Board of Directors nominated Mr. Florentin Marinescu from Romania as new Coordinating President for Europe.

Fritz Wendland
