## **Rony Kluger's report 1998, Israel**

1998 was a very important step in development of IBSSA in Israel, beside of the growing membership; Israel's only government recognized College the "Israeli College of Security and investigation" joined IBSSA. This very special Institute is a most important pillar of our future development. The college is a recognized educational institute in the field of Security and Investigation with a wide range of courses in various levels.

There are courses in

- Bodyguarding,
- Physical Security,
- VIP Security,
- Combat Shooting,
- Combat Driving,
- Investigation, Intelligence
- Anti Terrorism,
- High-tech Security
- Private Investigation,
- Economical and Business Investigation,
- Martial Arts, Self Defense.

The President of the College is Mr. Zeev Gefen ex Police officer, and a very experienced security specialist. Another unique department of the College is the department of "Martial Arts Teachers" which is in coordination of the International Budo Academy running a special training program which qualifies Teachers and Masters of Martial Arts. The Dean of the department is Mr Rony Kluger. All students are accredited and recognized by College Diploma as well as a possibility to achieve Academic Degrees BA, MA, Ph.D.. The College is open to any inquiry for courses to all IBSSA members (minimum participants for a course is 15 students).

Official IBSSA representation office is open now in Israel.
