Report on the IBSSA President's visit in Zlin 2 – 3 March 2005, Zlin / CZECH REPUBLIC

Prof. George POPPER, GCKM – President of IBSSA and his spouse Dr. Anna POPPER, DCM – Chairman of Event Management and Protocol Department of IBSSA visited Zlin between 2 – 3 March in order to meet the Czech Organising Committee of the 10th IBSSA Congress, control the preparations and visit the different locations of this event.

The preparatory trip was already 3 times postponed due to the bad weather conditions!

The Organising Committee made an excellent work concerning the preparations of the event. The great difficulty is that weather conditions are much worse than usually this time of the year. Therefore it is still possible that several events must be held on other places than planned!

Dr. Alexandr CACH has a very professional team, highly educated members, speaking well foreign languages, experienced in organising – Czech Republic, Zlin, GRADDO can offer high level services, so the success of the event is guaranteed!

Just to mention some of the organisers:

- Mr. John Pate – Security Specialist IBSSA CZ
- Ms. Linda Krenovska
- Mr. Zdenek Cík – Secretary GMX-Graddo, a.s.

During the discussions the following documents of the Congress were finalised:

- Program
- Agenda
- Scenario of trainings, championships and other events

A Cooperation Contract was concluded between **IBSSA** signed by Prof. George POPPER, GCKM – President and **IBSSA CZ** signed by JUDr. PhDr. Alexandr CACH, KCM – Country Representative of IBSSA in CZECH REPUBLIC, in point of responsibility, expenses and division of labour.

Both organisations agreed in the stipulated conditions, necessary technical equipment and all provisions.

It was stated, that although the congress preparations started a bit belatedly and the weather conditions do not smile upon the organisation either, even so everything is alright and we do hope and believe that an extraordinarily successful and professional Congress and side events will be organised in Zlin!

The leaders of both organisations agreed that from now on the daily communication between the IBSSA Headquarters and the Czech Organising Committee is very important.

It is very urgent to inform all IBSSA members continuously in the following matters: accommodation, visa procedure, travel possibilities, etc.!

The daily actualisation of all information on the Internet is also extremely important.
