Report on the Preparing and Qualifying Competition for the Bodyguard World Championship of the IBSSA 20 – 23 October 2005, Sopron / Hungary

The series of the preparing and qualifying competitions for the Bodyguard World Championship Miami 2006 had began. This competition was organized by the IBSSA and the Folda International Bodyguard and Training Centre.

The first competition was held in Sopron / Hungary, where Mr. Péter BÉKÉS – Chief organiser and host of this event ensured outstanding conditions for the participants.

8 different countries with 56 participants altogether messed their knowledge and skills in the field of shooting and car driving.

The participants competed in many different and dangerous events, for example, to extinguish fire, to counter fight attacks, to escape the protected person, to transport an injured person. Additionally to the competitions, they joined a continuing professional education on the last day of this event.

The main task of all separate competitions was to successfully finish the several missions and to find solutions for all of the problems.

Many sponsors represented themselves on the event:

The lord major of the City of Sopron – Dezső WALTER, the Chief of Police of the City of Sopron – Gábor FARKAS, the Sopron Lift Llc., the Steely Team Llc., the Restaurant and Hotel Tercia.

The next place of the series of the competitions will be St. Pölten / Austria, where Dr. Alexander HEVESI – Country Representative of IBSSA for Austria came from, to visit this first qualifying match.

The third competition will be held in Slovenia, where our other VIP guest, Mr. Bogdan VUKOSAVLJEVIC arrived from.

The last competition before the World championship in Miami / Florida, will be held in Malmö / Sweden. The main organiser and host of that final event will be Mr. Zoltán RUFF – Representative and Manager of Folda International for Sweden.

The preparing and qualifying competitions playing an important roll for the world championship itself, because it is very important that only those experts will take part at the final “fight”, who really have the necessary knowledge and skill and are fit for the challenges in Miami / USA, where this Bodyguard World Championship will be held at the end of June 2006.
