

1st International Soirée – Ball of Knights and Bodyguards

when
"Defence meets Chivalry"

Our friends and colleagues throughout the world encouraged us to organise a collective party where Knights, Dames and also Bodyguards and members of the security profession will have fun together.

This significant event will be held on the **28th April 2007** – Saturday night – in the Ball room of **Corinthia Grand Hotel Royal** in Budapest / Hungary.
Address: 1073 Budapest, Erzsébet körút 43-49.

Entrance fee: 100.- EUR / person

The Ball starts at **19.30** and the entrance fee includes welcome drink, meals for all night, Champaign and during the night the waiters are at your disposal to serve you with beer, wine, mineral water, and soft drinks.

We have invited a famous party-band of Budapest, the **FREEDOM BAND**, and besides our great surprises for the guests Cigar Saloon, Lottery and a well-known violinist: "Mága Zoltán and the Angels" will also be entertaining you.

To conclude it is worth participating at the fascinating event.
