

## **IBSSA International Sport Federation** **IBSSA – ISF**

IBSSA – ISF after several years of thorough preparation – having all the personal and physical means – finally increased its activities to a great extent.

President of IBSSA – ISF: Dr. Rony KLUGER (Israel)  
General Secretary of IBSSA – ISF: Dr. Frank PHILIPOOM (Netherlands)

Both gentlemen are also leaders of other Budo federations.

The Ju Jitsu Department of IBSSA – ISF has also been renewed dramatically. Shihan István KELEMEN (Hungary) was appointed as leader of this department and such colleagues support him actively like Mr. Tamás TÖRÖK (USA) and Mr. Mike CSOKE (Canada) – master teachers and IBSSA members.

Dr. Péter FÁBIÁN (Hungary) – one of the well-known leaders of Hungarian Kempo – has also been latched on to this work and Shihan Sáfár informed us as well that IBSSA – ISF could count on his knowledge and experiences especially in the field of Karate.

Up to now the ISF organised mainly karate and shooting championships. From now on numerous other events will enlarge the supply, such as the programs of martial arts or extreme sports; training camps of drifting or diving, etc.

The new system of IBSSA – ISF diplomas and certificates is ready, so it is possible to hand over the following diplomas during our future events:

- Green diploma – for participants of the IBSSA – ISF programs
- Blue diploma – for qualification of participants, sportsmen achieving good results
- Red diploma – for Instructors and Master teachers
- Brown diploma – for membership in IBSSA – ISF

### ***Who and under what conditions can become member of IBSSA – ISF?***

Every sport federation – who is applying for membership – can join IBSSA – ISF with paying a one time registration fee 100.- EUR

For this fee the sport federation will receive membership diplomas in as many copies as many training centres they have.

Individual membership fee is a one time 30.- EUR, which includes the membership diploma, the ID-card and also the pin of IBSSA – ISF.

Renewing the ID-card is necessary only in cases when there are changes in the personal data of our member (for example: change in Dan degree in martial arts). In such cases the 30.- EUR fee has to be paid again and we will prepare the new ID-card together with the new diploma.

Members of IBSSA – ISF are entitled to attend the championships, training camps, courses and all other events organised by the ISF.

The official partner of IBSSA – ISF is the International Budo Academy (IBA), which institute is registered in the USA, in the United Kingdom, in Israel and also in Hungary.

IBA is authorised to issue certificates of qualification in martial arts accredited by the Ministry of Education in Israel. This cooperation is of great significance because IBA is entitled to issue Kyu and Dan degrees in martial arts (of course together with the leaders of the chosen style), is entitled to grant trainer, teacher, or even higher academic or doctoral degrees.
